Re: Withdrawal Liability
YRC

To whom it may concern:

Local 705 International Brotherhood of Teamsters Pension Fund ("Fund") records indicate that YRC incurred a complete withdrawal from the Fund as of July 28, 2023, because it permanently ceased to have an obligation to contribute under the Local 705 International Brotherhood of Teamsters Pension Plan ("Plan").

This is a notice and demand for payment of withdrawal liability incurred as a result of said complete withdrawal from the Fund by YRC. This notice and demand is made pursuant to Section 4219 of the Employee Retirement Income Security Act of 1974, as amended ("ERISA"), 29 U.S.C. Section 1399, and applies equally to all members of any controlled group of trades or businesses, as defined in Section 414(c) of the Internal Revenue Code, of which the above named business is a member. The Fund is aware of the various pending bankruptcy matters, will abide by the automatic stay, and will only pursue collection through the pending bankruptcy cases except to the extent there are any non-bankrupt controlled group members.

The Pension Fund has calculated the withdrawal liability of YRC to be \$21,367,019.34. This withdrawal liability has been calculated based on Fund information applicable to employer withdrawals occurring in Plan Year 2023, and is based on the Plan's unfunded vested liability as of December 31, 2021. The withdrawal liability calculation worksheet for YRC is enclosed.

At your option, the withdrawal liability may be amortized and paid in monthly installments according to the enclosed minimum required payment schedule, or such liability may be paid in a lump sum. If you choose the monthly installment option,

amortization charges will accrue on the outstanding balance at the annual rates indicated on the enclosed minimum payment schedule.

If paying in a lump sum, your payment must be received by December 16, 2023, or as provided by the bankruptcy court. If electing to pay in monthly installments, all payments must be received by the 16th day of each month with the first payment due December 16, 2023, or as provided by the bankruptcy court. All checks are to be made payable to Local 705 IBT Pension Fund and are to be sent to:

Jack Witt, Administrator
Local 705 I. B. T. Pension Fund
1645 West Jackson Blvd., Suite 700
Chicago, IL 60612

Subject to applicable law, including bankruptcy court approval as needed, if payment of withdrawal liability is not made when due and such default is not cured by the payment of delinquencies plus required additional interest within sixty (60) days after receiving written notice from the Fund of such delinquency, the Fund may require immediate payment of the totality of the remaining balances of the withdrawal liability plus all interest accrued from the due date of the first payment which was not timely made.

If you wish to request a review of the withdrawal liability, you must do so in writing to Jack Witt, Administrator, within ninety (90) days. Payments must be received during any review process, as provided by the bankruptcy court. If you have any questions with regard to this matter, please direct them in writing to my attention.

Sincerely,

Re: Local 705 I.B. of T. Health & Welfare and Pension Funds Contribution Compliance

Dear Ms. Crawford:

Deficiencies for the period have been determined in the amounts of \$1,335,196.33 to the Health & Welfare Fund and \$423,625.78 to the Pension Fund. Interest on contribution deficiencies, liquidating damages, and related costs have been assessed and are included in these deficiency amounts.

Please remit payments immediately to Local 705 I.B. of T. Health & Welfare Fund in the amount of \$1,335,196.33 and Local 705 Pension Fund in the amount of \$423,625.78. Interest will also be accrued and added to any amount of this deficiency unpaid after thirty days from the date of this letter.

Contribution compliance procedures have been applied to the records made available by you. Subsequent to the date of this letter, should information come to our attention indicating deficiencies not reported here for the period October 1, 2017 through June 30, 2022, the Funds may retroactively bill you for such contribution deficiencies. You may also be billed for interest on the contribution deficiencies for the period of delinquency, liquidated damages, and related costs.
